

Two Unique Home Delivery Service

How It Works

Welcome to the Two Unique Home Delivery Service! We want to be a solution to families who are in need of great REAL food made from wholesome local ingredients, PURE from scratch cooking managed in a professional and licensed kitchen by our amazing chefs and culinary team. Our menus change weekly and honor seasonality as well as local sourcing. We have kept our pricing below what our normal restaurant intuition dictates to hopefully be of service to more families who are struggling right now. We are also interested to know of any items you might like to see on future weekly menus.

Our team practices the highest standard of cleanliness and hygiene. We wear gloves for all food handling, our kitchen stations are sanitized thoroughly every hour. We have been in business for 27 years and home delivery is not new for us. We take your families health to heart and now more than ever want to be of service.

Delivery Options

Deliveries occur twice a week on Tuesdays and Fridays. Tuesday orders must be received by midnight on Sundays. Friday orders must be placed by midnight on Wednesdays.

Delivery Process

Delivers will be routed logistically with the volume for the day; many of the orders will be delivered from 3:00 pm to 6:00 pm. Delivery fees range from \$10-\$20 depending on your location.

Safety

For the safety of both our drivers and customers we wish to have no interactions during deliveries. Drop offs will occur on front steps and we are happy to call when we are in the driveway. If you are not going to be home at the time of delivery either leave a cooler on the porch or purchase a cooler bag for \$15.
